Hi Steve - Unfortunately, the EI status can't be changed until a formal Environmental Indicator determination document is prepared. This determination normally is prepared by the State.

Carol Stein, P.E.

Carol,

Why is the environmental indicator status not being changed?

Environmental Indicator
Status:

Human Exposures Under Control: No status has been recorded.
Groundwater Contamination Under Control: No status has been recorded.

Steve Karpinski
Public Health Specialist II
Bureau of Environmental Exposure Investigation
New York State Department of Health
Empire State Plaza, Corning Tower, Room 1787
